

# Soaring Hawk Elem.

## 2016-17 Birthday Book Club

**There are two ways to be a part of Soaring Hawk's Birthday Book Club!**

### Register and select a book

Fill out the form below and your child will come to the library to select a book from the catalog.

Price: \$20

Deadline: April 30th, 2017

**OR**

### Join at our Fall or Spring Book Fairs

At the Book Fair your child can select a book from a stack of pre-approved books.

Price: varies, whatever the book costs

Deadline: @ Book Fair

After the book is ordered or purchased, we take his/her picture and place it in the front of the book with a bookplate commemorating the donation. Then your child will be the first to checkout the book to bring home and share before returning it to the library as part of our collection.

At the end of the school year, your child is invited to a Birthday Book Club party.

Donating through the Birthday Book Club helps the library to build our collection of books and is a great way for your child to feel special while encouraging his/her reading and supporting the school!
